Corrections to the Program – Our apologies!

- Page 71 of the printed program SEEMS like it is missing, but it is actually collated incorrectly by the printer. It is behind the RFF Ad which is page 90 and is the page JUST PRIOR to the beginning of the Sunday TAB.
- Karen Danielsen's name is spelled wrong in the program on page 6. Correctly spelled, it is Danielsen. All who see her should give her a huge pat on the back for coordinating our three local host universities this year.
